Arcobaleno is an LGBTQ+ café, restaurant, gay bar, and events space located in Brighton's queer hot-spot, Kemptown. We are a multi-faceted venue most popular for our Maltese-inspired all-day brunch menu, classic cocktails and our traditional Sunday roasts.

With a vibrant range of weekly events such as live music, cabaret, and karaoke, alongside community workshops and live podcast shows - Arcobaleno offers so much more than your average bar/venue.

Built with inclusivity and connection at its heart, the sense of community and acceptance at Arcobaleno is what really makes us stand out from the crowd.

We provide a warm welcome and cosy atmosphere across our main bar space, our lovely back garden, and our brand-new speakeasy style cocktail hangout - *The Rainbow Bar* - tucked away downstairs from Arcobaleno.
